

15a

More tailings. 60' deep lie
two roadhouses completely preserved.

15b

Depth gauge to a
\$800,000 earth fill reservoir
for Bunker Hill workings.

15d

A "Giant" (monitor) eats a
path thru the tailings for the
new #4 dredge.

15c

The "face" of Loretta Gulch
hydraulic mine.

Two old timers 'pose.'
